WORK EXPERIENCE

From January 1997 until today I'm doing, as a freelancer, the activity of plastic surgery and aesthetics in Milan at the doctor's Office associated with doctors Cattabeni and Osellame.

From January 2001 till now I'm playing the consultant of Plastic Reconstructive and aesthetic surgery in the plastic surgery Unit headed by Dr. Marino Osellame at San Carlo di Paderno Dugnano (MI): outpatient activity, day surgery and admission performing surgery as first and second predominantly operator as part of breast reconstruction after mastectomy, skin cancer surgery and cosmetic surgery.

From the 31.10.1996 to 01.08.1996 I served as medical Assistant General Surgery at the hospital "Santa Corona" of Garbagnate Milanese - Milan

From January 1995 to December 2000 I attended the service "strategic Area of reconstructive plastic surgery" at the Division of general surgery at the hospital "g. Salvini" of Garbagnate Milanese (MI) directed by Dr. Marino Osellame. I attended both the ambulatory activity than surgery as first and second operator.
