

Cantarelli Federico was born in Chiavenna, Italy, on the 25th of July 1968.

In 1993 he graduated With Honors in Dentistry and Prosthetic Dentistry from Aquila University.

In 1993 he began his professional activity at the University "La Sapienza" in Rome in Dentistry Division for one year.

At the same time he worked in many private dental offices; these offices were mainly specialized in surgery and orthodontics.

In 1995-96 he worked in the Maxillofacial Division of Sondrio Hospital.

In 1996-1997 he specialized at the University of Milan in Implant Prosthesis.

From 1999 he collaborates with Dr.Pedretti on all clinical cases, especially for orthognathic and implant prosthesis cases.

Along the years he attended many and various specialization courses, most of all on orthodontics and implant prosthesis.

At the moment he is the director of San Martino clinical structure located in Mese.

He mainly treats orthodontic and prosthetic cases and works as Dr.Pedretti assistant in Clinica San Martino located in Malgrate.
